

Triple inaugural seminar in clinical biomechanics

Greg Kawchuk, adjunct professor

Peter Kent, adjunct professor

David Cassidy, honorary professor

November 10, 2016 from 14:00 hrs. (CET)

**Lab for Play and Innovation, Building 39, University of Southern Denmark, Campusvej 55,
5230 Odense M**

On the occasion Greg Kawchuk's and Peter Kent's appointments as adjunct professors of clinical biomechanics at the Research Unit of Clinical Biomechanics, Department of Sports Science and Clinical Biomechanics, and David Cassidy's honorary doctorate in globalisation, the Faculty of Health Sciences hereby invites you to attend an inaugural seminar with the following program:

- 14.00-14.05: Welcome by **Jørgen Povlsen**, Head of Department of Sports Science and Clinical Biomechanics, Faculty of Health Sciences, University of Southern Denmark
- 14.05-14.35: ***"Who rules the ruler? The cult and culture of measurement in low back pain"***
Greg Kawchuk, Adjunct professor in clinical biomechanics, PhD, Professor of spinal biomechanics, Faculty of Rehabilitation Medicine, University of Alberta, Edmonton, Canada.
- 14.35-15.05: ***"Prediction of treatment response and prognosis in back pain: From the study of regularity to the study of variability"***
Peter Kent, Adjunct professor of clinical biomechanics, PhD, Associate professor, Faculty of Health Sciences, Curtin University, Perth, Australia
- 15.05-15.35: ***"Reflections on my Globalization Professorship at SDU"***
David Cassidy, Honorary doctor in globalisation, PhD, DMSc, Professor of epidemiology, University Health Network, University of Toronto, Toronto, Canada
- 15.35-16.00 Discussion and closing of the seminar

After the seminar, a reception will be held in Lab for Play and Innovation.

The Faculty of Health Sciences would like to invite all interested persons to attend the seminar and the following reception.

If you wish to participate, we kindly ask you to register [here](#) no later than November 4, 2016.

For further information or questions please contact secretary Rikke Beining at rbeining@health.sdu.dk

Kind regards,

Ole Skøtt

Dean
